

Notified Body No. 2812

Certificate of Constancy of Performance

2812-CPR-CA7029

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product:

Pyrobel BR

(see annex for manufacturers product identification and declaration of performance, for intended use
'Resistance to Fire for use in Buildings and Construction Works')

Placed on the market under the name of

AGC Glass Europe SA/NV
Avenue Jean Monnet, 4
B-1348 Louvain- La- Neuve
Belgium

and produced in the manufacturing plants:

E014055-5 & E014055-7

This is a coded format, and the information is held by the Notified Body.

This certificate attests that all provisions concerning the Assessment and Verification of Constancy of Performance described in Annex ZA of the standard(s):

EN 14449: 2005/AC: 2005

Under System 1 for the performance set out in this certificate are applied and that the Factory Production Control conducted by the manufacturer is assessed to ensure the constancy of performance of the construction product.

This certificate was first issued on **04/04/2023** and reissued on **18/022026** and will remain valid until the below date as long as neither the harmonised standard, the Construction Product, the AVCP methods nor the manufacturing conditions in the plants are modified significantly, or unless suspended or withdrawn by the Notified Product Certification Body.

CE Marking certificate valid to: **03/04/2029**

ERO Project Reference: **ERO 034621 P3058**

Certificate of Constancy of Performance

2812-CPR-CA7029

Product	AVCP System	Classification Fire Resistance (EN 13501-2)*
Pyrobel 16 BR5 NS	1	EI30
Pyrobel 30 EG2 BR4 S	1	EI90
Pyrobel 54 BR5 S	1	EI120

1. *Classification Reports (available on request from the glass manufacturer) define Fire Resistance Classification and is dependent on framing system and glazing configuration. The Classification Reports which determine the above EN13501-2 classifications detail the precise field of application for fire resistant applications within the scope of CE marking including product variants. Additional 'market application' tests or extended application reports may also be appropriate for use with CE marked glasses.
2. This Certificate of Constancy of Performance indicates groups of glass structures/designs. It is not possible to list all available glass structures/designs in detail. These are available in high diversity and described for each product in the Declaration of Performance.
3. The Declaration of Performance for each product configuration including the characteristics of performance is made available by AGC Glass Europe SA/NV.
